4	**Communication Skills**	**Duration: 1 Weeks Commitment: 2 Hours**	Online Self-paced	Who would benefit? Students who are preparing to take up employment, as well as working professionals who have just taken up employment Business persons dealing with corporates and other similar clients		About this Course Communication is as old as the existence of human beings. Words are not the only way of getting your message across. Many times you can sense the mood your colleague or friend is in. How do you think you can figure it out? It is because communication involves not just words, but also actions, body language and facial expressions to mention a few. In this course we will help you understand what communication is and why we communicate. You will also understand non-verbal communication in detail. On completion of the course, you will learn how to communicate effectively using a combination of verbal and non-verbal communication skills. By purchasing or subscribing to this program, you agree to abide by the Usage Policy, Privacy Policy, Security Policies and any Terms and	**Course Syllabus** **This course comprises the following modules:** **1. Module 01 - Importance of Communication** **2. Module 02 - Process of Communication** **3. Module 03 - Barriers to Communication** **4. Module 04 - Non-Verbal Communication** **5. Module 05 - Verbal Communication** **6. Module 06 - Effective Communication** **7. Module 07 - Summary** **8. Module 08 - Assessment**	**Free**
5	**Introduction to Soft Skills**	**Duration: 1 Weeks Commitment: 2 Hours**	Online Self-paced	A graduate or postgraduate student, wanting to learn this skill A jobseeker or working professional, seeking for a change of job or better prospects within the organisation			**Module 1: Objectives** **Module 2: Process before the Interview** **Module 3 : Process during the Interview** **Module 4 : Process after the Interview** **Module 5 : FAQs** **Module 6 :Assessment**	**Free**
6	**Telephone Etiquette**	**Duration: 1 Weeks Commitment: 2 Hours**	Online Self-paced	Who would benefit? This course has been designed for students who are preparing to take up employment and also for working professionals who either have taken up employment or are looking for a change in employment.	Prerequisites Basic knowledge of English language is the only requirement.	Answering an official phone call has to be done with tact. Communicating on the telephone creates an impression about both the caller and the receiver. In this course you will first learn the essential guidelines of telephone etiquette. These are points you will follow when you either make or receive a call. Next, you will learn phrases for making and receiving calls. There is a difference between formal and informal conversations and you will learn about it in this course. Next, you will learn the format for taking messages, so that the message is passed on clearly and completely. After this, you will learn to place calls on hold. Finally, you will learn about voice mail and pointers to leave effective voice mail. This course will help you learn the right way to make and take official phone calls. By purchasing or subscribing to this program, you agree to abide by the Usage Policy, Privacy Policy, Security Policies and any Terms and Conditions mentioned on this portal.	**This course comprises the following modules:** **1 Module 01 - Objectives** **2 Module 02 - First Impression** **3 Module 03 - Guidelines for Telephone Etiquette** **4 Module 04 - Do's and Don'ts of Telephone Etiquette** **5 Module 05 - Phrases for Making and Receiving Phone Calls** **6 Module 06 - Taking Messages** **7 Module 07 - Placing a Call on Hold** **8 Module 08 - Voice Mail Etiquette** **9 Module 09 - Assessment**	**Free**
